

Can you feel the warm Caribbean breeze on your face? Can you hear the soft sounds of a steel drum in the background? Ahh, you must be at ...

The Teacher Appreciation Luncheon in the Multipurpose Room at MBMS on May 13th

We could really use your help with this year's Caribbean themed luncheon

There are three ways to lend a hand-
Money: *A donation in any amount would help offset the expense of the lunch.*

Desserts: *We will cater the meal but would love to offer homemade deserts as the finishing touch.*

Time: *We need help to set up, serve and clean up.*

Any help would be greatly appreciated and rewarded with straight As for your child (just kidding on that last part).

Please contact the event coordinators with your availability or any questions
